Yours respectfully,

etc. It is too soon to make a satisfac-

ory prognosis in his case; I believe,

lowever, there is a fair prospect of h

recovery.

The Uinted Verde Pronounced the Richest in the World-85-000 000 Refused.

Prescott Contier. It is stated that a mining expert who had been in this section for some time in the interest of Haggin & Daly, has retently made a favorable report on some mines in Copper Basin; that a French syndicate holds an option on these properties for \$250,000, and if the syndicate fails to take them, Mesers, Haggin and Daly will do so immediate The same expert visited the United Verde Copper company's mines near Prescott and pronounces them the biggest and richest mines in the world There are no politics in a good dinner, says that Hon. W. A. Clark has been of-The Cockleburr, the Montezuman, republicae and populist all harmonize refused it. He saw enough ore in sight in the mine to keep up the pre ent output, which is 200 tons day, for several years. Considering the fact that, within the memory of every citizen of Prescott, that was a time when the United Verde mines could have been bough for a few hundred dollars, and few believed them to be of any value, the most skaptical should be convinced that we have a marvelous mining country and schools thous will give Arizona the that where there is one such mine there are others as rich as many more of lesser magnitude, all waiting for the capital necessary to develop and work them; for the United Verda mines would hard ly teknown today had they not fallen into the hands of a man able to handle them.
